Mahora School Black Caps

It is always a very special day at Mahora when our Black Caps are announced for the year. Monday was the first round of capping for 2021. We spend Term 1 observing the Year 6's leadership and the way they are living our Mahora School Values. Congratulations to all 2021 recipients, wear your cap with pride. The hard work continues for these students, who need to display their Values in all that they do, and be role models for the younger tamariki at our school.

We continue to present Black Caps to students during the year as they develop their leadership so Piki Haere to those yet to receive their cap. Many thanks to whānau who were able to be present to support our children.
