

Week 3 Term 4 Newsletter - 1<sup>st</sup> November 2019

## Welcome

This week we welcome Taylor-Ray Wipani. We hope you have enjoyed your start at Mahora School!

Nau mai haere mai, Talofa lava, Kia orana, welcome to you!

## Hats

This is really important...we still have a number of children who do not have a school hat. We have a very simple rule around sun safety. **No hat = no play** and these children need to be under the shade sails during breaks. All our tamariki need to be able to run around and exercise during breaks so please make sure your child has a hat. These can be purchased from the school office for \$12.50. Naming them clearly is also very important.

## Spriggs Park and Rocky Shore - Team 2 EOTC

On Wednesday Team 2 visited Spriggs Park and the Rocky Shore. The Napier National Aquarium came along to support our learning. They shared how to keep ourselves safe, keep the sea creatures safe and help us identify all the different types of sea creatures and plants found at the Rocky Shore. Team 2 would like to say a HUGE thank you to all the parents and whānau that came along and helped. Check out all the smiles and marine scientists!

## Camp

This week Takitini have been away at Camp in Wellington and they have had the most action packed time and the kids have had a blast! Check out more pictures on Facebook. I know that they will come home with lots of interesting things to tell their whānau! We are sure there will be a few tired kids and adults this afternoon.

A huge thanks to our staff and the many parents who made both senior camps possible over the last two weeks. Camp is such a wonderful opportunity that we are determined to continue at Mahora, so your support and efforts are appreciated hugely.

### Regards, Rohan
