

## Welcome

This week we introduce Ryley Bardell Bowman, Louise and Jubelee Joe and Ike Fallowfield-Payne. We hope you have enjoyed your start at Mahora School.

**Nau mai haere mai, Talofa Lava, welcome to you all!**

## COVID-19 Update

All parents were emailed out plans for level 1 which start on Monday 15<sup>th</sup> June. If you have not received an email please contact Kirsten in the office and she will organise a copy for you.

If you have any questions please don't hesitate to contact us. I look forward to parents supporting the 'deal' as from Monday!

## Black Caps

The long awaited...Covid interrupted...highly important...BLACK CAP ASSEMBLY has been scheduled! We plan to have a whole school Black Cap presentation assembly on Friday 26<sup>th</sup> June at 12.00. If it is fine this will be an outside assembly. If wet, it will be inside and numbers will be restricted with Year 6 families first. As always, community members are welcome.

## Staff update

After 29 years at Mahora School our wonderful Jenny Warren in the office has decided it's time. This is a phenomenal length of service and commitment to a school and community. The office is the hub of any school and the efficiency of it is down to the people who work in it. A huge thanks Jenny for all you have done for so many years. By our count...based on averages per week, that's 65,000 plasters over 29 years! We certainly appreciate all you have done to ensure our school remains in a strong position financially and our tamariki have been cared for.

Tangata ako ana i te kāenga, te tūranga ki te marae, tau ana – A person nurtured in the community contributes strongly to society.

This now means we are advertising an office position and the information is listed on our Facebook page. If you know someone suitable that might be interested in this, please encourage them to consider it. This is a wonderful opportunity to be a part of our school and community.

## Support Staff

This week we acknowledge the wonderful support staff that we have at Mahora School. It is National Support Staff week and our team here at Mahora do an amazing job. We could not offer what we do without them, they support so much and are so committed to our school and community. A huge thanks to this wonderful team for all you do for our school, our tamariki, our staff and our whānau.

## Thanks to our Essential Workers

With the move to Covid Level 1, we can now confirm we will perform LIVE to the **Level 4 Essential Frontline Workers** from our Mahora whānau in the final week of this term. Our Senior students will take the lead in this but we will have some involvement from the whole school. We need your help....we know we have whānau working in medical, agricultural, transport, aged care, orchards, supermarkets and other industries, which meant you were face to face with people outside your bubble during the Covid Alert Level 4. This also includes our on call tradies. We don't want to miss a single person! Please either send in the slip below early next week or text/message Denise at [denisep@mahora.school.nz](mailto:denisep@mahora.school.nz) or 0274 789546 so we can send an invitation to our whānau heroes next week.
